

# ID MANUAL

This graphic standards manual provides detailed information for correct use of the CIIMAR logo, specifying the requirements for use in different contexts and support.

The consistent and coherent application of the CIIMAR visual identity is extremely important, so it's imperative the consultation of this manual for any graphic use of the CIIMAR brand.

All logo versions are available at:  
<https://www2.ciimar.up.pt/resources.php>

For specific situations not exemplified in this manual, please contact the CIIMAR Communication and Outreach Office.
