

OPEN DAY

FOR UNIVERSITY STUDENTS PROGRAMME

MORNING

9H00 - 9H15

Registration

9H15 - 9H30

CIIMAR Overview – **Filipe Castro**

9H30 - 9H45

The Blue Young Talent programme – **Sérgio Boo**

9H45 - 10H00

Ignorance, questions and the unknowns: approaching Biological puzzles – **Filipe Castro**

10H00 - 10H15

Saltmarsh relevance to maintain a good water quality: integrating chemistry and phytoremediation – **Marisa Almeida**

10H15 - 10H30

Fish Ecology and Sustainability: understanding fish ecology, ecosystem functions, and human impacts – **Sandra Ramos and Vânia Freitas**

10H30 - 10H50

Science, Society and Innovation: a commitment to Ocean Health – **Ágatha Gil, Francisca Sá and Luís Vieira**

10H50 - 11H30

Labs visits | Speed-dating with researchers

11H30 - 12H00

How do I prepare for an interview? – **Ana Salgado**

ALL DAY LONG

Science fair

LUNCH BREAK

OPEN DAY

FOR UNIVERSITY STUDENTS PROGRAMME

AFTERNOON

14H00 - 14H15 Registration

14H15 - 14H30 CIIMAR Overview – **Ana Paula Mucha**

14H30 - 15H00 How do I prepare for an interview? – **Ana Salgado**

15H00 - 15H15 The Blue Young Talent programme – **Marina Dolbleth**

15H15 - 15H30 Benthic Ecology and Environmental Solutions for Mitigating Global Ecological Crises – **Marina Dolbleth**

15H30 - 15H45 New tools and opportunities for a more sustainable animal farming – **Sérgio Boo and Rita Azeredo**

15H45 - 16H00 Remote-sensing technologies in coastal monitoring – **Ana Bio**

16H00 - 16H15 Deep-sea mining effects on habitat forming species – **Irene Martins**

16H15 - 17H00 Labs visits | Speed-dating with researchers

ALL DAY LONG Science fair
